

Nuremberg Moot Court 2023

Clarifications on Points of Fact

Thank you for your interest in and enthusiasm for the Nuremberg Moot Court 2023.

Preliminarily, it is important to note that a moot court scenario is, by definition, necessarily vague in order to provide enough room for debate and the development of arguments for both the Prosecution and the Defence.

Kindly note that we have considered all the requests for clarifications on points of fact carefully. Questions raised but not addressed below were considered already answered by the case or irrelevant for the preparation of the Pre-Trial Chamber's (PTC) hearing.

Your written memoranda shall follow the agenda for the PTC's hearing.

Case:

Clarification 1: The Rome Statute went into force for Merty on 5 January 2018.

Clarification 2: *Exhibit 1:* The last line ("The nation thanks Lieutenant Adelaide for her service and for ensuring that no lives were lost in the riots.") is part of the news article.

Clarification 3: The TPDF consists solely of Typhons.
