

## Nuremberg Moot Court 2022

### CLARIFICATIONS on points of fact

Thank you for your interest in and enthusiasm for the Nuremberg Moot Court 2022.

Preliminarily, it is important to note that a moot court scenario is, by definition, necessarily vague in order to provide enough room for debate and the development of arguments for both the Prosecution and the Defence.

Kindly note that we have considered all the requests for clarifications on points of fact carefully. Questions raised but not addressed below were considered already answered by the case or irrelevant for the preparation of the Pre-Trial Chamber's (PTC) hearing.

**Your Written Memoranda shall follow the agenda for the PTC's hearing.**

#### Case:

**Clarification 1:** 'Castirians' refers to both the ethnic minority group as well as the general population of people living in Castiria.

**Clarification 2:** *Para. 5-8:* There is only one local parliament in Castiria.

**Clarification 3:** *Para 18:* The high-ranking military officers that recommended the release of Mr. Gravus have no connection to the Military Court.
